Full-time Gigs

SENIOR DESIGNER

Wyndham Capital Mortgage
Charlotte, NC
October 2021 – Present

As part of the in-house marketing team at Wyndham Capital Mortgage I have had a variety of duties involving print, product, and digital design. Tasks have ranged from fulfilling everyday requests such as creating assets for social media to building and illustrating an interactive online homebuyer's guide.

SENIOR DESIGNER

Mythic
Charlotte, NC
June 2018 – September 2021

Mythic is a full-service marketing and advertising agency. My role involves overseeing and/or executing design projects from conception to delivery, reviewing work of junior designers and production artists, and performing tasks ranging from layout design to branding to illustration to animation.

MOTION GRAPHICS DESIGNER

Capstone Production Group
Raleigh, NC
September 2015 – April 2018

Capstone is a media production company offering copy writing video (TV & web), audio, print, and more. Working with the creative team I was involved in motion graphics design, video editing, and print design.

Freelance

LOYALE STUDIO

San Francisco, CA
October 2015 – Present

Loyale is a woman and minority-owned company. They produce a variety of kitchen products using ethically produced and locally sourced materials. I was hired to develop the brand, ultimately designing items like clothing tags, envelopes, labels, postcards, promo art, stickers, and more.

THE PINE CONE FOUNDATION

San Francisco, CA
December 2016 – Present

The Pine Cone Foundation offers scholarships to graduating high school seniors with learning disabilities. I created the logo and brand identity used on their website and promo materials.

LUNE RIVER HARP STUDIO

Walkertown, NC
January 2022

Lune River Harp is a studio based in Walkertown, NC that offers harp lessons, recordings, and performances for weddings and other live events. I worked with founder Bethany Lancaster to create the logo and brand identity.

FASTBRAIIN

Raleigh, NC
September 2016 – April 2018

Fastbraiin provides effective ADHD treatment via medicine, behavior therapy, and education. I partnered with them for a handful of projects, creating icons, infographics, spot illustrations, etc.
